Education

Bsc in Mechanical Engineering, *Addis Ababa University*

Forth-year Mechanical Engineering Student.

GPA: 3.65

09/2020 – present

Addis Ababa, Ethiopia

Profile

- My name is **Yordanos Lemmawork**. I'm third-year Mechanical engineering student. I am a motivated and dedicated undergraduate student majoring in **Mechanical Engineering**. I am passionate about utilizing my technical skills and problem-solving abilities to make a positive impact on society.
- I am excited to apply for the position of Translator for English to Afaan Oromo. As a native Afaan Oromo speaker, I possess a deep understanding of the language's cultural nuances and linguistic intricacies, making me confident in my ability to provide accurate and culturally appropriate translations.
- Having grown up speaking Afaan Oromo as my first language, I have a strong grasp of the language's syntax, grammar, and vocabulary. I am also fluent in English, which enables me to effectively bridge the communication gap between the two languages.
- Throughout my life, I have served as a language mediator for my family and friends, assisting them with translations and interpretations in various situations. My passion for preserving and promoting the Afaan Oromo language has driven me to pursue a career in translation.
- Have excellent educational background in Afaan Oromoo language. I have learned in Afaan Oromoo language up to 8th grade and also took Afaan Oromoo language subject up to 12th grade.

Skills

Very excellent typing skill and interactivity with technologies (as I have good programing skill, I have an excellent typing skill on computer device. which make me good at using technologies.)

Python Computer programing language (I have good skill in python programing language)

C Computer programing language (I'm skill full in c programing language)

CAD and Solidworks (have skill in Computer Aided Design and also solidworks)

I have good skill on communication and collaboration skills with team members. good dedication and hard working. Eager to learn from others. co-operative in team works.
